Always consult with an association representative/lawyer before responding to any report, letter, memo and/or questions concerning an investigation that could possibly lead to punitive action. If ordered to do so, ask to have it recorded and read the following: Non-waiver statement:

"I have been refused the right to have a representative of my choice. I understand that I am being ordered to make a report or answer questions and that, if I do not comply with the order, I may be disciplined for insubordination. # Happy December, Everyone!

## Thank You To Our PSU Negotiations Team

By Jose Santos  
RSA President

**A**s we head into the final month of the year, I want to take a moment to share

some exciting updates and extend my heartfelt appreciation to each of you.

Over the past several weeks, your executive board and I have been very busy. We've been meeting with various vendors, public officials, and administrators from agencies throughout our membership, all while working to finalize our new three-year probation contract. These conversations and collaborations are always guided by one priority: you and your families.

First and foremost, I want to extend a huge thank you to our PSU negotiations team for their dedication and hard work leading up to this new contract agreement. I also want to thank every member in the unit for the quick and overwhelming voter turnout. Because of your engagement, we were able to get this contract passed before the holidays; a major win for everyone.

I also want to recognize our incredible staff here at RSA for their efforts during and after the Benefits Trust open enrollment period. With all the new benefit additions and options, we had over 700 changes processed. That takes a tremendous amount of coordination and care, and they rose

to the challenge to make sure you and your families are taken care of.

Looking ahead to next year, the executive board is in the process of gathering dates for a county-wide tour. Our goal is to visit each station and facility to:

- Provide updates on your benefits
- Share our 2026 goals
- Hear directly from you about any concerns or issues affecting your workplace

Your feedback is crucial. These visits are about more than just presenting information; they're about listening

and making sure your voices shape our priorities moving forward.

Lastly, as we gear up for the holidays and the start of a new year, I want to encourage all of you to stay safe and continue to excel in each of your roles. The work you do every day makes a real difference in this county and in the lives of the people we serve.

On behalf of your executive board, thank you for your trust, your professionalism, and your continued commitment. I wish you and your families a very happy, healthy, and safe holiday season. ★

## ***Lieutenant Nathan Kaas***

On Sunday, October 12, 2025, Lieutenant Nathan Kaas of the Riverside County Sheriff's Office passed away from a hunting accident in Southern Idaho. Lieutenant Kaas' career began in April of 2000 as a Deputy for the Department, with him rising to the rank of Lieutenant over the Sheriff's Emergency Response Team.

Lieutenant Kaas, 48, was a husband and father of three. His relationship, love and service to Jesus Christ, his church and community, emboldened his impact on the many walks of life he encountered. He will be remembered as a devoted husband, father, son, brother, uncle, and loyal friend.

Nathan's character as a protector and mentor embodied the Service Above Self pride of the Riverside County Sheriff's Office. His relationship, love and service to Jesus Christ strengthened his impact on the many walks of life he encountered.

Lieutenant Kaas' loved ones, the Riverside County Sheriff's Office, and the Riverside County Sheriffs' Association, thank you for your support, prayers and donations for the Kaas family.

**I**t's a fair question. When you look at your pay stub and let your eyes pass over the section entitled "After-Tax Deductions", you might notice the line item that indicates that the RSA has deducted a portion of your pay. This is the time of year that we tell you how a portion of that deduction has been used by your Association. If you have received representation by the RSA Legal Defense Trust, you are probably aware of how it (i.e. The Trust) has been of benefit to you. On the other hand, if you are like most RSA Members, you have not been a recipient of the Trust's services. This report is especially for you.

*The RSA Legal Defense Trust is here for you. The LDT is considered a "prepaid group legal services plan". We hope you never need its services. If you do, we are a phone call away. We can be reached at 951.653.0130 during normal business hours or at 800.877.7317 any other time.*

# SENATE BILL 487 PASSED ON 10/13/2025

**The Law1199.com Newsletter of 2025, Issue #7 reviewed the proposed legislation of Senate Bill 487 by Senator Grayson. THIS BILL ESTABLISHES FAIR AND EQUITABLE DISTRIBUTION OF CIVIL LAWSUIT RECOVERIES.**

**Scott O'Mara**

Law Offices Of Scott A. O'Mara

**T**he recovery is from the third-party or parties causing harm to the safety officers, police and fire. The safety officers in certain situations have additional remedies in addition to workers' compensation. They may be able to recover injury and harm to themselves by a third-party lawsuit against the party causing the harm.

Senate Bill 487 has now been approved and signed by the Governor on 10/13/2025, and chartered by the Secretary of State on 10/13/2025. This signed Bill 487 establishes that the safety officers, police officers and firefighters in certain situations may have additional remedies to assist to protect themselves from harm caused by an event in which there is civil liability by the party causing the harm.

Prior to the signature of 10/13/2025, the employer was allowed legally to obtain unrestricted recovery or credit on the third-party lawsuit. The recovery was not just for harm caused as of the date of the resolution, but if there was further medical needs in the future because of this event the employer could seek an offset to any monies that the injured worker received.

With the Governor signing Senate Bill 487 on 10/13/2025 this

creates a better envelope of protection for the peace officers. Senate Bill 487 recognizes the uniqueness of the work and protection that the peace officers and firefighters provide to our society. The signed Legislation acknowledges the concept that medical care is to cure or relieve the effects of the injury. Many times the medical care may not be needed immediately but may manifest itself later in years as time progresses and the condition becomes more symptomatic. Prior to this enactment of Senate Bill 487 this would allow the employer to seek credit on any monies received on the third-party on future medical.

Senate Bill 487 establishes the law that the employer has no right to assert any credit or offset against future workers' compensation benefits (medical care, permanent disability, temporary disability/\$4850, \$4800.5...) owed to the employee. It does allow the employer to garner

1/3 of the damages from the injury expenses to the date at the time of settlement and the remaining 2/3 payment goes to the worker. This creates an environment where we as a society recognize there is entitlement to fair and equitable recovery in the light of the injured worker's damages, but yet there is recognition of safety officers, peace officers and firefighters because of their additional responsibilities and obligation to protect our society. We as a society need to

protect them and ensure that the monies that they receive on the third-party case is fair and that the employer cannot attempt at a future time to seek credit or minimize the obligation of treatment under the workers' compensation system because of monies that were previously paid.

The signed Bill, Senate Bill 487, is a tool that has been needed and now is available to provide fair and equitable care to those that protect us. ★

"Senate Bill 487 recognizes the uniqueness of the work and protection that the peace officers and firefighters provide to our society. The signed Legislation acknowledges the concept that medical care is to cure or relieve the effects of the injury. "
