RSA was honored to attend fallen Deputy Brett Harris' memorial service. Harris' legacy will live on through his family, friends, Hemet Sheriff's Station, and the community who surrounds him. We appreciate the continued love and support through these trying times.

We were happy to serve up some "chow" for the Hemet Sheriff's Station after the memorial concluded. It's a sight to see when a station gathers to celebrate a life and share core memories. We love what we do! ★

DPO Tyler Buffington Claims More Gold At The U.S. Police & Fire Championships

The United States Police and Fire Championships were again held in San Diego this year from June 12-15. For the third year in a row, RSA was proud to sponsor Deputy Probation Officer Tyler Buffington who has now won gold medals in billiards for the last four years. This year, Tyler won two gold medals, one in 9-ball and the other in straight pool.

Tyler has been an accomplished billiards player for ten years. He learned to play while attending Cal Poly Pomona, where he would kill time playing pool in between classes. After college he joined a local billiards league and was eventually chosen to play in a national billiards league, where he still plays.

RSA was proud to sponsor Tyler during his gold medal performance at the 2023 Police and Fire Championships. Congratulations Tyler! ★

2023 Legislative Year Half-Way Mark

Battles Won, More To Come

Ryan Sherman
Director,
Government Affairs

The Riverside Sheriffs' Association and law enforcement

overall fared pretty well as the legislature concluded the first half of its 2023 session. Of the dozens of harmful public safety related bills introduced this year, we have either successfully defeated many of these or secured amendments to mitigate some of their negative impacts on law enforcement. These bills are a sampling and highlights of some of the more significant legislative battles we've engaged in during the final weeks leading up to the June 2 legislative "House of Origin" deadline of the current 2023-2024 session.

BAD, BUT AMENDED

SB 2 (Portantino) significantly expands the list of locations where a ccw holder is prohibited from lawfully carrying. Many peace officers are exempt from these restrictions, but not all as we continue working with the author and sponsor to provide those exemptions. Passed Senate 29-9.

Of the dozens of harmful public safety related bills introduced this year, we have either successfully defeated many of these or secured amendments to mitigate some of their negative impacts on law enforcement.

SB 50 (Bradford) no pretext stops for busted lights, expired registration, etc. Goal of the bill is to reduce racial profiling drivers by police. We've been opposed to this bill since introduction due to the road safety and criminal apprehension benefits pretext stops provide. The bill was amended to permit pretext stops if two or more violations are present and now also permits any evidence obtained via a pretext stop to remain admissible. Passed the senate 22-11.

SB 94 (Cortese) cop killers and other first degree murderers convicted with special circumstances sentenced to LWOP no longer means LWOP. Parole eligible after 25 years. Lots of amendments were accepted by

the author, including commitment to remove of cop killers and mass murderers serving LWOP from being eligible for parole. Passed Senate 22-12. There will be a lot more work to do on this in the Assembly.

SB 252 (Gonzalez) requires CalPERS to divest from fossil fuels, potentially harming the pension fund. A number of amends were taken to prevent or mitigate financial losses that may be caused by the proposed divestment. Potential long term harm caused by banning investment in this sector would remain and any losses would be unrecoverable under this bill. Passed Senate 23-10.

Continued

AB 733 (Fong) intent of the bill is to prohibit law enforcement agencies from selling its surplus or outdated firearms to the public. As introduced, the bill bans all sales by a LEA to anyone, including their own peace officers. This will prohibit officers from purchasing their own service firearms. Recent amendment permits a retired/retiring officer to purchase, but still prohibits active and reserve peace officers from doing so. Passed Assembly 55-18.

BAD, NO AMENDMENTS TAKEN

SB 377 (Skinner) prohibits peace officers, including retired and reserve officers, from being able to purchase off-roster firearms. Only the employing agency may purchase off-roster. Passed 27-8.

SB 519 (Atkins) permits counties to remove jail operations from the jurisdiction of the county sheriff. This is a big work in progress that we hope to resolve later this summer.

SB 519 (Atkins) permits counties to remove jail operations from the jurisdiction of the county sheriff. This is a big work in progress that we hope to resolve later this summer. Passed 32-8.

AB 280 (Holden) bans use of solitary confinement for anyone under 26 or over 59. Also bans solitary for persons with mental health condition or physical disability. Inmates who don't fit into those classifications are eligible for solitary, but for no longer than 15 consecutive days, without exception. Governor Newsom vetoed this same bill last year. Passed Assembly 56-16.

AB 958 (Santiago) creates a legal right for state and county inmates to have visitors and for visitors to meet with inmates, regardless of inmate

behavior or even Departments that deny visits are subject to civil liability for violating this new right. Passed Assembly 52-15.

AB 1034 (Wilson) creates new ban on using officer-worn body camera or official or personal cell or camera images with facial recognition technology. Passed Assembly 41-17.

AB 1310 (McKinnor) makes retroactive a law from 2018 that permits a felon to seek a sentence reduction when convicted of using a firearm in a crime. Passed Assembly on a vote of 41-19.

AMENDMENTS TAKEN, OPPOSITION REMOVED

AB 28 (Gabriel) imposes an 11% tax on all firearms and ammo sales. As introduced, the bill was applicable to all in California, including peace officers. Working in conjunction with PORAC and other cop groups, amendments were secured to remove ALL peace officers from the bill, including retired and reserve peace officers. Passed Assembly 56-17.

AB 793 (Bonta) seeks to protect persons coming to California for abortion or transgender medical care by preventing their location information from being shared with the law enforcement agencies in their home state where leaving their state for such purposes may violate that state's laws. However, bill prohibits reverse demand warrants in all cases. We asked for an amendment to limit the reverse demand restrictions

in the bill to abortion and health care, thereby permitting the status quo for law enforcement's ability to continue to use this effective investigatory tool. The bill initially failed passage. After some discussions, the author committed to adopt amendments to resolve our concerns and the bill was approved on a 54-14 vote. We expect to be able to remove our opposition once the bill is amended as was stated by the author on the floor of the Assembly.

DEAD OR DELAYED UNTIL NEXT YEAR - BIG WINS HERE

AB 93 (Bryan) ban on consent searches. The bill failed when it was first brought up for a vote. AB 93 was later amended to allow an officer (with articulable reasonable suspicion) to be permitted to ask for consent to conduct a search. Bizarre. Failed passage 35-22.

AB 742 (Jackson) bans use of police canines for arrest/apprehension. Prohibits k9s from biting a suspect unless use of deadly force by law enforcement would be permissible. After failing to secure the necessary votes, the bill was sent to the inactive file, keeping it alive and allowing it to come up for a vote next January.

AB 61 (Bryan) requires that a person must be taken before a court without unnecessary delay, and, at the most, within 48 hours of their arrest. Permits exception to the 48 hour rule only if the prosecution demonstrates the existence of a bona fide emergency or other extraordinary circumstance. Also requires that a minor must be released within 48 hours after being taken into custody if no probable cause determination has been made

except in cases when the minor will-fully misrepresents themselves to be an adult. Author moved to inactive due to lack of votes.

OTHER BILLS OF INTEREST THAT FAILED PRIOR TO A FLOOR VOTE

SB 254 (Skinner) media access to inmates in jails/prisons.

SB 655 (Durazo) allows participants in a crime to qualify for victims comp funds.

SB 838 (Menjivar) criminals injured by officers get victims comp money.

AB 807 (McCarty) CA DOJ to investigate all OIS, not just unarmed civilians.

AB 1090 (Jones-Sawyer) allows county supervisors to remove elected sheriff from office.

As mentioned earlier, this is not an exhaustive listing of the bills we are working on your behalf. There are many more bills of concern to California's law enforcement professionals that we will continue to battle as the Senate begins hearing Assembly bills and vice versa. As always, please feel free to contact us with any questions or concerns about pending legislation, our positions and how we can better serve you at the Capitol.

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.

**IF YOU ARE INTERESTED IN THIS OPPORTUNITY OR FOR INQUIRIES REGARDING
THE RSA ROLLIN' SMOKEHOUSE, PLEASE CONTACT:**
