2023 Legislative Scorecard

Ryan Sherman
Director,
Government Affairs

Well, it's

that time of year, when we release our legislative scorecard grading Riverside-area members of the state Assembly and Senate on their public safety and law enforcement voting record.

It's always difficult to condense an entire year's worth of public safety votes into a single article and scorecard. Many of the significant bills from this year are omitted here because they failed to be voted on in both houses of the legislature. Some failed passage out of committee or were defeated on the floor before they could advance to the opposite house. Others advanced but were later defeated in the committee or the author pulled the bill due to lack of votes.

RSA's legislative efforts, in conjunction with the other major law enforcement associations, were successful in defeating or significantly amending many of the most egregious senate and assembly bills this year. Legislation to eviscerate the Peace Officers' Bill of Rights, prohibit "consent" searches, eliminate police canines and defund school resource officers were among those killed earlier this year. However, because those bills and others did not survive to receive a vote in both the Assembly and Senate, they are not included in this scorecard.

SCORING ADJUSTMENTS

Adjusted voting scores, indicated by an asterisk* or two** were implemented to take into consideration lawmakers stated position on how they planned to vote on a bill. During the

// RSA's legislative efforts, in conjunction with the other major law enforcement associations, were successful in defeating or significantly amending many of the most egregious senate and assembly bills this year. //

last few weeks of session, lobbyists are constantly verifying where individual legislators are at on bills that are expected to have a close vote. When we can show that a bill lacks support from a majority of legislators, that bill is frequently never brought up for a vote. For our scorecard, we wanted to make sure that those who committed to support the position of RSA were credited for those positions, which helped to prevent those bills from being brought up for a vote.

Relatedly, those who refuse to share how they plan to vote on the floor requires us to place them in the "opposition" column for vote counting purposes. Legislators who routinely refuse to share where they are at on a bill generally do so in order to avoid upsetting one side or the other or in hopes that the bill will never be brought up for a vote, allowing the lawmaker to claim to either side (or both) that they would have voted a certain way.

Our last scoring adjustment is in recognition of the presumption that legislators vote in favor of bills that they have co-authored, even if the bills has not been brought before them for a vote. This year, Asm Corey Jackson co-authored three bills on our scorecard (SB 50, 58 & 94) but he never had an opportunity to vote on SB 50 or SB 94. Removing those bills from his scorecard vote would mislead readers into believing that his position on these bills is unclear.

GUBERNATORIAL ACTIONS

Of the eight scorecard bills that ended up on the governor's desk, four opposed by RSA were vetoed and one was signed that we supported. Just three of the seven bills opposed by RSA were signed into law.

As a result, we will need to continue to battle these bills next year, along with the other “two-year bills” (including the canine bill, etc) as well as all of the new anti-public safety bills that this legislature is expected to introduce when they return to the Capitol in January, 2024.

Until next month, be safe. ★

The RSA Benefit Trust Partners with

Body Scan International

RSA has partnered with Body Scan International to bring you ONSITE body scanning right on location at the RSA West offices!

Beginning now, you and your enrolled spouse can schedule a full body scan* at your convenience. The BSI Body Scan Program screens for diseases of greatest concern to the public safety sector – heart/cardiovascular disease, lower back and neck pathologies, over 20 different types of cancer, chronic lung disease, and many others.

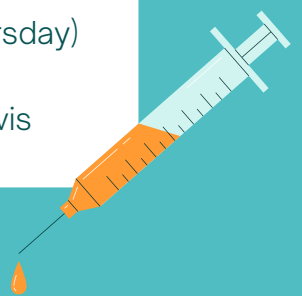

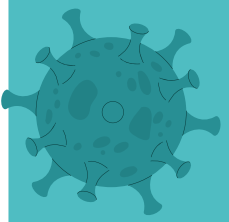

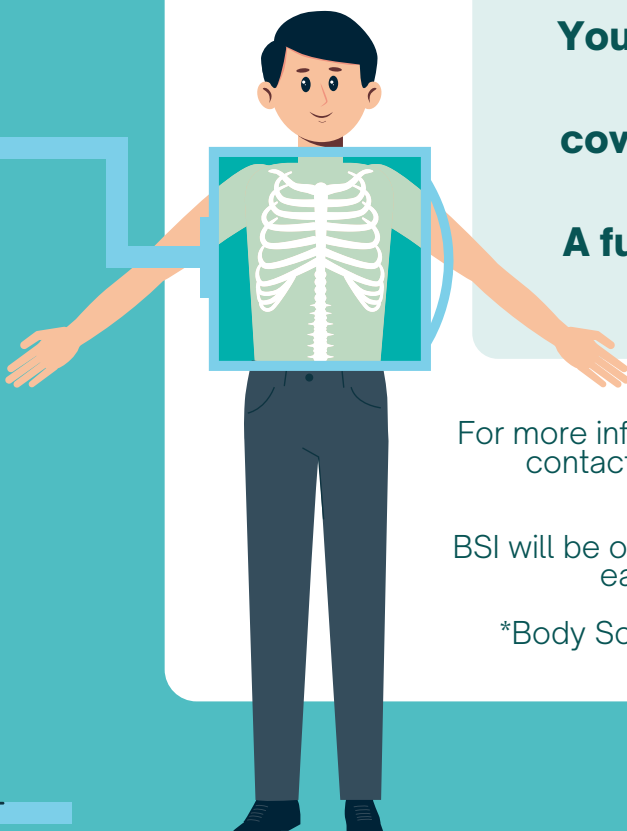

Using state-of-the-art mobile CT technology, you will receive a full 3-D visualization inside your body followed by a complete physician consultation. This is a non-invasive exam that provides a comprehensive, confidential look inside your torso to early-detect, or rule-out, “silent” lesions and anomalies.

The RSA board has negotiated a favorable rate for RSA members. You and your enrolled spouse are each eligible for one fully-covered Body Scan every 2 years for \$140 copay. A full scan normally costs \$1,995!

For more information, or to schedule your appointment, contact BSI directly at 877-274-5577 or go to healthview.com

BSI will be onsite at RSA one week (Monday – Thursday) each month from November to May

Assist

To provide aid through the Riverside County Deputy Sheriff Relief Foundation to members and their families facing life changing crises.

The Riverside Sheriffs' Association began as the Riverside County Sheriff's Training Center Corporation in 1943, but since then has evolved into a labor organization that represents members, individually or collectively, in all matters relating to their employer-employee relations, including but not limited to grievances, labor disputes, hours, wages, and to other terms and conditions of employment as prescribed by law.

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.

**IF YOU ARE INTERESTED IN THIS OPPORTUNITY OR FOR INQUIRIES REGARDING
THE RSA ROLLIN' SMOKEHOUSE, PLEASE CONTACT:**
